This Letter of Agreement is provided to formalize the partnership between The Able Trust and the Florida Association of Centers for Independent Living (FACIL). The partnership is in support of the Florida Youth Leadership Forum, which is a unique leadership-training program for high school students with disabilities. Students participate in a multi-faceted series of online leadership training, role playing, mentoring, job preparation, career exploration and activities to build social and communication skills.

This partnership provides \$20,000 of support from The Able Trust to FACIL to sponsor the 2022 Youth Leadership Forum. In exchange for the sponsorship, FACIL will provide the following to The Able Trust:

- Recognition of The Able Trust as an event sponsor in printed and virtual program materials including social media;
- Inclusion of Able Trust items in pre-conference materials;
- An opportunity for The Able Trust to address participants and audience during the event; and
- Inclusion of The Able Trust Young Professional Network in any resource information disseminated to participants and staff.
