RE: Engagement for Legislative Services

The Able Trust ("The Able Trust") hereby engages Paul Hawkes on behalf of Buchanan Ingersoll & Rooney PC ("BIR") to render general consulting and strategic advice to The Able Trust with respect to State Sunset and Regulatory Matters before the Florida Legislature and Executive Branches or Commission. The services rendered pursuant to this engagement are consulting services only and are not legal services. The Client understands that this engagement does not establish an attorney-client relationship between Client and Consultant and the confidentiality protections and conflict of interest restrictions of the Lawyer's Rules of Professional Conduct and the attorney-client privilege do not apply.

However, except as required to comply with Florida law requiring lobbying registration and reporting, BIR will treat as confidential The Able Trust's proprietary, sensitive and confidential information that may be disclosed to BIR in connection with this engagement, and BIR will not disclose any such information to third parties without the consent of The Able Trust.

In compensation for the services to be rendered to The Able Trust by BIR pursuant to this engagement, The Able Trust shall pay BIR \$18,000.00, with a monthly fee of \$3,000.00, beginning November 1, 2017 and ending April 30, 2018.

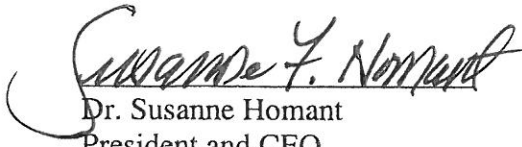

In addition to the compensation set forth, the Client shall reimburse the Consultant for all reasonable and necessary out-of-pocket and travel expenses. All expenses greater than \$500.00 must be approved by the Client prior to the incursion of the expense.

It is understood that the Consultant may also provide consulting and lobbying services for other clients during the term of this Agreement. The Consultant, however, monitors its compliance with its obligations under the Florida lobbying laws. Consultant has implemented procedures to avoid taking a position for one lobbying client that is directly adverse to a position currently being taken for another lobbying client, without the consent of the involved clients.
