The Trust shall be given 30 days to respond in writing to DOE/DVR regarding the matter. If DOE/DVR finds that the response from the Trust is insufficient, it shall notify the Trust and provide the Trust with an opportunity to cure. The Trust shall be given 45 days to cure the alleged errors or deficiencies. If the Trust does not cure the errors or deficiencies within 45 days, or if in the opinion of DOE/DVR the cure is inadequate, DOE/DVR may issue a written notice of termination. DOE/DVR may authorize a longer time period if, in the opinion of DOE/DVR, a longer period is reasonable and necessary in order to cure the errors or deficiencies. In the event a cure is required by DOE/DVR but not implemented by the Trust, this MOU shall be terminated and all moneys held by the Trust shall revert to the State of Florida. Nothing herein shall limit the rights of the Trust in law or equity to challenge the decision of the DOE/DVR to terminate this MOU.
