Dear Jill:

**The below listed equipment has recently been placed on Konica Minolta's Obsolete List. This means that Konica Minolta is no longer producing replacement parts for your machine but there is still a limited inventory available. It is with this understanding that we would like to CONDITIONALLY renew your contract for the upcoming year. Should a part on your machine break or need to be replaced that is no longer available, it will be necessary for us to discontinue your contract. Please understand that our contract terms do not include a replacement machine if parts are no longer available or if the machine can no longer be repaired due to the age of the machine. If it becomes necessary for us to discontinue your contract, we will have one of our Sales Representatives contact you with options for a new or used replacement machine. If you prefer, you can contact our office sooner to discuss replacing your machine now with a newer model.**

According to the information from your previous contract your new terms are as follows:

Dates Covered: 07/11/21-07/10/22  
Contract Amount: \$.0130 per copy for B/W  
\$.0892 per copy for Color

Equipment: L07300  
Model: C280  
Serial #: A0ED012007918

If you have any questions regarding this particular contract renewal, or have changes you would like to be made, don't hesitate to give me a call. **Please sign and fax or mail back to Lewis Digital to my attention so that I can be aware of your intentions for renewal or if you prefer, you can email it to my attention, [tbarineau@lewisdigital.net](mailto:tbarineau@lewisdigital.net).** Thank you!

Sincerely,

Fred Cantley
