WHEREAS, section 413.201, Florida Statutes designates the Department of Education ("DOE") as the official state agency for the purposes of effecting compliance with the Vocational Rehabilitation Act of 1973, as amended; and

WHEREAS, the Division of Vocational Rehabilitation ("DVR") is a division established within DOE, and is designated by section 413.202, Florida Statutes, as the administrative unit for the purposes of effecting compliance with the Vocational Rehabilitation Act of 1973, as amended; and

WHEREAS, the Florida Endowment For Vocational Rehabilitation Act, section 413.615, Florida Statutes, created the Trust as a direct-support organization of the Division of Vocational Rehabilitation, to encourage public and private support to enhance vocational rehabilitation and employment of citizens who are disabled; and

WHEREAS, the Trust is a Florida corporation not for profit incorporated under the provisions of chapter 617, Florida Statutes, and approved by the Department of State, and has registered the fictitious name "The Able Trust" with the Department of State; and

WHEREAS, section 413.615(5), Florida Statutes, requires the Trust to operate under a contract with DOE/DVR.

NOW, THEREFORE, both parties hereto agree as follows:

I. MISSION.

This MOU constitutes the basic rules of operation for the Trust as a Direct Support Organization of DOE/DVR. Pursuant to section 413.615(5)(b), Florida Statutes, the Trust has been organized and is operated exclusively to raise funds; to submit requests and receive grants from the Federal Government, the state, private foundations, and individuals; to receive, hold, and administer property; and to make expenditures to or for the benefit of the rehabilitation programs approved by the board of directors of the Trust.

The Trust shall comply with all provisions of the Florida Endowment for Vocational Rehabilitation Act, section 413.615, Florida Statutes.

By execution of this MOU, the Trust is approved by DOE/DVR to be operating for the benefit and best interest of the state.

II. APPROVAL OF THE ARTICLES OF INCORPORATION AND BY-LAWS.

DOE/DVR hereby approves the Articles of Incorporation of the Trust, as they exist on August 27, 1991. Any amendment to the approved Articles of Incorporation the Trust proposes shall be not become effective until approved by DOE/DVR by written amendment of this MOU.
III. GOVERNANCE.

A Board of Directors appointed by the Governor pursuant to section 413.615(8), Florida Statutes shall govern the Trust. The Board shall have the powers and duties granted pursuant to section 413.615(9), Florida Statutes.

The Trust shall give DOE/DVR at least 14 days' written notice of all Board meetings. The Commissioner of Education or their designee may attend any Board meeting.

IV. APPROVAL OF ANNUAL BUDGET.

The fiscal year of the Trust shall begin on July 1 of each year, and end on June 30 of the following year. The Trust shall provide DOE/DVR with the Trust's proposed annual budget by June 10 of each year. By July 10 of each year, DOE/DVR shall inform the Trust whether or not the annual budget has been approved pursuant to section 413.615(6)(c), Florida Statutes. DOE/DVR may not approve an annual budget that does not comply with section 413.615(9)(j), Florida Statutes.

V. CERTIFICATION.

The Trust shall provide a copy of the Annual Audit required by sections 215.981 and 413.615(11), Florida Statutes, and a copy of the Annual Report required by section 413.615(12), Florida Statutes, to DOE/DVR within the timeframes established in those statutes. Within 30 days after receipt of the Annual Report and the Annual Audit, DOE/DVR shall certify whether the Trust is operating in compliance with the terms of this MOU and the rules of the Division, and in a manner consistent with the goals of the Legislature in providing assistance to citizens with disabilities.

VI. RELEASE OF STATE REVENUES.

State funds shall be released to the Trust as they are received from funding sources specified by the Legislature. The Trust shall only expend state revenues in accordance with the budget approved by DOE/DVR and pursuant to executed contracts.

VII. TERM AND RENEWAL.

This MOU shall be effective when signed by both parties and shall expire three years from the date of execution. This MOU may be renewed by mutual agreement of both parties.

VIII. TERMINATION.

If DOE/DVR determines that there is just cause sufficient to support a finding of malfeasance or misfeasance by the Trust with regard to the expenditure of funds held by the Trust, or that the Trust has violated this MOU in a manner that causes harm to the individuals that it was created to serve, it shall provide written notice of this determination to the Trust along with the factual background information leading to the determination. The Trust shall be given 30 days from the date of receiving the report to respond in writing to DOE/DVR regarding the matter. If DOE/DVR finds that the response from the Trust is insufficient, it shall notify the Trust and allow it 45 days from the date the Trust receives the notice of deficiencies to cure the errors or deficiencies. If the Trust does not cure the errors or deficiencies within 45 days, or if in the opinion of DOE/DVR the cure is inadequate, DOE/DVR may issue to the Trust a written notice of termination. DOE/DVR may authorize a longer time period if, in the opinion of DOE/DVR, a longer period is reasonable and necessary in order to cure the errors or deficiencies. If DOE/DVR requires a cure that the Trust does not implement, this MOU shall be terminated and all moneys held by the Trust shall
revert to the State of Florida. Upon termination of this MOU, the Trust shall account for all money held by the Trust and the Trust shall pay by check or wire transfer payable to the State of Florida the entire balance in the “operating account” as defined in section 413.615(2)(d), Florida Statutes, and in any other account held by the Trust that contains state funds, within 45 days after termination of this MOU, UNLESS THE PARTIES AGREE TO EXTEND THE TIMEFRAME. Nothing herein shall limit the rights of the Trust in law or equity to challenge the decision of the DOE/DVR to terminate this MOU. If the MOU is ultimately terminated, DOE/DVR shall complete existing obligations of the Trust in effect at the time of termination if funds are available for this purpose.

IX. ORDERLY CESSATION OF OPERATIONS

If the Legislature does not reauthorize the Trust or if the parties decide to terminate this MOU, DOE/DVR shall work collaboratively to ensure the orderly cessation of the Trust’s operations (including reversion to the state of state funds held in trust by the organization) by the 30th calendar day after the event triggering cessation. The Trust shall initiate cessation activities no more than 30 calendar days after the event triggering cessation of the Trust’s operations. Plans for orderly cessation of operations must address completion of contractual obligations and the ethical handling of staff, as well as the reversion of assets to the State. Upon termination of this MOU by either party for any reason, the Trust shall account for all money held by the Trust, and the Trust shall pay by check or wire transfer payable to the State of Florida, the entire balance in the “operating account” defined by section 413.615(2)(d), Florida Statutes, and in any other account held by the Trust that contains state funds, within 45 days after termination of this MOU, UNLESS THE PARTIES AGREE TO EXTEND THE TIMEFRAME.

X. INDEMNITY.

DOE/DVR and the Trust understand and agree that neither party shall be held liable for any negligent or wrongful acts of the other. This includes any commissions or omissions chargeable to the other, unless such liability is imposed by law. DOE/DVR and the Trust also agree that this MOU shall not be construed as seeking to either enlarge or diminish any obligation or duty owed by one party against the other or to any third person. If either DOE/DVR or the Trust file a claim for wrongful or negligent acts against the other, each party shall bear the costs of its own defense. Nothing in this MOU is intended to serve as a waiver of sovereign immunity, except as provided by law, nor shall anything in this MOU be construed as consent of either party to be sued by third parties in any matter arising out of any agreement.

XI. CHOICE OF LAW AND VENUE.

This MOU will be interpreted under the laws of Florida, and Leon County, Florida, shall be the proper venue for all legal actions arising out of or in connection with this MOU.

XII. AMENDMENT.

Either party to this MOU may propose amendments. No amendment or modification to this MOU shall be effective unless it is made in writing and signed by both parties.
XIII. INTERNET POSTING OF TRUST INFORMATION.

Section 20.058, Florida Statutes requires the Trust to provide certain information to DOE/DVR by August 1 of each year. The Trust shall make every effort to provide the following information to DOE/DVR by July 24 of each year:
