2023 Sponsorship Opportunities

The Able Trust's theme for the 2023 Disability Employment Awareness Month is "**A Cup of Ambition.**"

While October is the month we celebrate DEAM, Disability Employment Awareness is our mission all year long. As such, DEAM Sponsors will receive value from their sponsorship throughout the year. Your support of DEAM shows your company's commitment to disability inclusion in Florida's workforce.

Everyone should have the opportunity to go to work each day with a cup of coffee.

But recent data shows only **20.4%** of working-age (20-64) Floridians with a disability are employed, compared to **63%** of Floridians who do not have a disability. Florida's employment percentage of residents with a disability is the **third-lowest of any state** in the United States of America.

Whether you can give a cup, a pot, a carafe or more, every drop of your sponsorship will go toward fulfilling The Able Trust's vision of making Florida the **most disability-inclusive state in the country.**
