Template for Constructing Your Story about a HSHT Student

Your Name: _____ HSHT Site: _____

Let me tell you about _____

Provide age, name, and few descriptive details about the student you're describing.

His/her life was ...

Share specific details about the barriers they faced in school, at home or on the job before joining HSHT.

_____ made his/her way to us because ...

Describe how the student or their family learned about HSHT.

Here's how HSHT helped:

- Share examples of program experiences/opportunities they had. Include how the student felt about the program/support.
- **Or** describe how you believe High School High Tech will help a particular student based on the barriers or challenges they face.

Because of HSHT, _____ is now: _____

Did he/she overcome some of the barriers they faced before joining HSHT?
Have they experienced success in some area or do they have new attitudes about their future?

This is just one of the many stories I could share with you about HSHT's impact.

Explain briefly how HSHT has helped students in general. What benefits have you seen as a HSHT coordinator that illustrate the program's benefits?
